

## **ESSAY:**

Choose one of the two topics below and write an essay of 180-230 words:

1) Your teacher has asked you to write an essay on whether there should be a complete ban on the advertising of dangerous products like cigarettes and alcohol.

2) It has often been said that parents need to allow youngsters to take risks sometimes and learn from their experiences. As a result, many people believe that overprotected children may not learn how to overcome obstacles later in life. What is your opinion on this issue?
