This Privacy Notice provides information regarding the personal data we collect, the principles according to which we process them, the processing purpose as well as your rights. The Organizations collect personal data only for explicit and specific purposes, as these are described below, and do not transmit them to another entity or third party, unless you provide your consent or if otherwise required by law. The Organizations do not sell, rent or distribute personal data to any third party.

### Principles of Processing

**Legality, objectivity and transparency:** Personal data are subjected to legal and acceptable processing in a transparent manner.

**Limited and defined purpose:** Personal data are collected for defined, explicit and lawful purposes and shall not be further processed in a manner incompatible with those purposes.

**Data minimization:** The personal data collected is appropriate, relevant and limited to what is necessary for the purposes for which they are processed.

**Accuracy:** In accordance with applicable law, we must ensure that your data are accurate and up to date. Therefore, please inform us in a timely manner of any change in your details.

**Limitation of the retention period:** Personal data is retained only as long as is required for processing purposes or in compliance with legal requirement.

**Integrity and confidentiality:** Personal data are submitted to treatment in a way that guarantees appropriate safety, including protection from unauthorized or illegal processing and accidental loss, destruction or wear, using appropriate technological or organizational means.

### Purposes and legal bases of Processing

The personal data you provide are collected and processed by the Organizations to accomplish the goals associated with registration and participation of the student at the Panhellenic Robotics Competition Racecar Challenge. Specifically the processing purposes are the following:

- The registration and participation of the student/teachers in the Racecar Challenge
- Communication with the teacher / parent / guardian and / or the student for matters concerning participation in the program
- The issuance of information or commemorative forms, certificates and bulletins

The legal basis of processing of your personal data is that such processing is necessary for the registration and participation of the student at the Panhellenic Robotics Competition Racecar Challenge, and, especially as regards the processing of photos and videos, your consent.

### Personal Data Categories

The Organizations process the personal data that are deemed necessary in order to properly provide the implementation of the Racecar Challenge. In particular, the following are collected:

- Contact details (name of student and parent, address, telephone numbers contact, email address, etc.)
- Photos and / or videos of the student from the activities of the program, subject to your consent
- Information about the educational status and student interests (school student, knowledge of English, other knowledge and interests)

**Retention period**

The Organizations maintain the above personal data for the time period required to serve the respective purposes of the processing and in accordance with the provisions of the applicable legislation.

In particular, personal data is maintained for a minimum of the duration of the student’s participation in the Racecar Challenge and for a maximum of 2 extra years for internal monitoring and archiving purposes.

**Rights**

The Organizations respect and ensure that all your rights as per the provisions of the applicable law are safeguarded. In particular, you have the right to be informed about your personal data, the right of access to them, the right of objection regarding processing, the right to transfer your data as well as the right to correct or delete them ("right to be forgotten") as provided by data protection applicable law. You also have the right to withdraw your consent regarding the processing of photos and videos at any time, noting however that the withdrawal of your consent shall not affect the lawfulness of processing based on your consent before its withdrawal (e.g. publications already made, etc). You also have the right to lodge a complaint with the Hellenic Data Protection Authority ([www.dpa.gr](http://www.dpa.gr)), in case you consider that the processing of your personal data hereunder is in violation of the data protection legislation.

The exercise of the above rights is subject to the satisfaction of conditions as laid down by the applicable legislation.

To exercise the above rights, please send us an email at: [dpo@acg.edu](mailto:dpo@acg.edu)
